

INFORMATION POINT NO. 6: THE FUTURE WE WANT

OPTION 1: To have a local fisheries sector that gives us food security.

OPTION 2: Dependence on foreign products from industrial fisheries.

OPTION 1: A clean, well-kept, sea full of life with Marine Reserves of Fishing Interest.

OPTION 2: A sea where our marine biodiversity cannot survive.

OPTION 1: A natural, respected, living coastline.

OPTION 2: A destroyed coastline, littered with plastics and rubbish.

“You can’t spend a single day on earth without having an impact on the world. What you do makes a difference, and you have to decide what kind of difference you want to make”.

Jane Goodall

“In every promontory, on every curved beach, in every grain of sand, is the history of the Earth”.

Rachel Carson

“Whatever you lose, we will always find ourselves in the sea”.

E. E. Cummings

“Even the upper end of the river believes in the ocean”.

William Stafford
